

Sunday June 12, 2022 - Dimanche le 12 juin 2022		Room / Salle
07:00 - 18:30	Technical visit in Montreal	
13:00 - 21:00	Registration - Inscription	Hall 2000/400
18:00 - 21:00	Welcome reception - Réception de bienvenue	Hall 400/Loggia
Monday June 13, 2022 - Lundi le 13 juin 2022		Room / Salle
07:00 - 20:00	Registration - Inscription	Hall 2000
09:00 - 10:00	Conference Opening	2000A
10:00 - 10:40	Keynote: Edible insects: progress and prospects - Arnold van Huis	2000A
10:40 - 11:00	Coffee Break - Pause-café	Exhibition - Salon des exposants
		Exhibition Hall
11:00 - 11:40	Keynote: Science for Peace: socio-economic impact of organic waste conversion by black - Karol B. Barragán-Fonseca	2000A
11:40 - 12:00	Group photo	2000A
12:00 - 13:20	Lunch - Repas du midi (Lunch & Learn - Frass to Feed the World 12:15-13:00, 2000D)	Exhibition Hall
13:20 - 15:00	Insect as feed/alternative protein sources & diet formulations (S2) - 1/4	2000A
13:20 - 15:00	Perception, marketing & economics (S7) - 1/2	2104AB
13:20 - 15:00	Circular economy & environmental sustainability (S9)	2105
13:20 - 15:00	Harvesting & traditional role of eating insects/sustainable consumption & food security (S6) - 1/2	2101
15:00 - 15:20	Coffee Break - Pause-café	Exhibition - Salon des exposants
		Exhibition Hall
15:20 - 16:00	Insect as feed/alternative protein sources & diet formulations (S2) - 2/4	2000A
15:20 - 16:00	Perception, marketing & economics (S7) - 2/2	2104AB
15:20 - 16:00	Networking for the Edible Insect Sector / Other (S13)	2105
16:30 - 17:30	Speed Networking	Hall 2000
18:00 - 20:00	Launch of the Leadership Chair (under invitation only)	Exhibition Hall

Tuesday, June 14, 2022 - Mardi le 14 juin 2022		Room / Salle
08:00 - 19:00	Registration - Inscription	Hall 2000
09:00 - 09:40	Keynote: Phenotypic exploration is the tip of the iceberg: fraud, espionage, intellectual property, contamination, & legality - Jeff K. Tomberlin	2000A
09:40 - 10:00	Coffee Break - Pause-café      Exhibition - Salon des exposants	Exhibition Hall
10:00 - 12:00	Insect as feed/alternative protein sources & diet formulations (S2) - 3/4	2000A
10:00 - 12:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 1/6	2104AB
10:00 - 12:00	Insect production systems/optimisation, engineering, automatation & security (S5) - 1/4	2105
10:00 - 12:00	Insect production systems/processing organic side streams & waste management (S4) - 1/6	2101
10:00 - 12:00	Atelier OECD Workshop (S11) - 1/3	2102AB
12:00 - 13:20	Lunch - Repas du midi (Lunch & Learn - Hartman Report on the consumers eating insects - Mohammed Ashour 12:15-13:00, 2000D)	Exhibition Hall
13:20 - 14:00	Keynote: The alternative protein landscape :promises and challenges faced transitioning from start-up to scale-up - Mohammed Ashour	2000A
14:00 - 15:00	Insect as feed/alternative protein sources & diet formulations (S2) - 4/4	2000A
14:00 - 15:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 2/6	2104AB
14:00 - 15:00	Insect production systems/optimisation, engineering, automatation & security (S5) - 2/4	2105
14:00 - 15:00	Insect production systems/processing organic side streams & waste management (S4) - 2/6	2101
14:00 - 15:00	Atelier OECD Workshop (S11) - 2/3	2102AB
15:00 - 15:20	Coffee Break - Pause-café      Exhibition - Salon des exposants	Exhibition Hall
15:20 - 17:00	Insect as food & feed/processing, conservation & food safety of insect products (S1) - 1/3	2000A
15:20 - 17:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 3/6	2104AB
15:20 - 17:00	Insect production systems/optimisation, engineering, automatation & security (S5) - 3/4	2105
15:20 - 17:00	Insect production systems/processing organic side streams & waste management (S4) - 3/6	2101
15:20 - 17:00	Atelier OECD Workshop (S11) - 3/3	2102AB
16:30 - 19:00	Poster session #1	Exhibition Hall
19:00 - 23:00	Banquet Evening	Manège Militaire

Wednesday, June 15, 2022 - Mercredi le 15 juin 2022		Room / Salle
08:00 - 19:00	Registration - Inscription	Hall 2000
09:00 - 09:40	Keynote: Genotype-phenotype correlations in optimizing biology: Lessons learned from other domesticated systems - Christine J. Picard	2000A
09:40 - 10:00	Coffee Break - Pause-café	Exhibition - Salon des exposants
		Exhibition Hall
10:00 - 12:00	Insect as food & feed/processing, conservation & food safety of insect products (S1) - 2/3	2000A
10:00 - 12:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 4/6	2104AB
10:00 - 12:00	Insect production systems/optimisation, engineering, automation & security (S5) - 4/4	2105
10:00 - 12:00	Insect production systems/processing organic side streams & waste management (S4) - 4/6	2101
10:00 - 12:00	Health and biosecurity (S12) - 1/3	2102AB
12:00 - 13:20	Lunch - Repas du midi (Lunch & Learn - Scaling Up Insect Production 12:15-13:00, 2000D)	Exhibition Hall
13:20 - 14:00	Keynote: Safe, legal and sustainable: a European perspective on upscaling insect farming - Adriana Casillas	2000A
14:00 - 15:00	Insect as food & feed/processing, conservation & food safety of insect products (S1) - 3/3	2000A
14:00 - 15:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 5/6	2104AB
14:00 - 15:00	Biotechnology & non-food applications of insect (S8) - 1/2	2105
14:00 - 15:00	Insect production systems/processing organic side streams & waste management (S4) - 5/6	2101
14:00 - 15:00	Health and biosecurity (S12) - 2/3	2102AB
15:00 - 15:20	Coffee Break - Pause-café	Exhibition - Salon des exposants
		Exhibition Hall
15:20 - 16:00	Quality control, legislation & policy (S10)	2000A
15:20 - 16:00	Insect production systems/genetics, nutrition, physiology, health & ethics (S3) - 6/6	2104AB
15:20 - 16:20	Biotechnology & non-food applications of insect (S8) - 2/2	2105
15:20 - 16:00	Insect production systems/processing organic side streams & waste management (S4) - 6/6	2101
15:20 - 16:00	Health and biosecurity (S12) - 3/3	2102AB
16:30 - 19:00	Poster session #2	Exhibition Hall
19:00 - 22:00	Pub evening organized by the Student Committee	Pub Murphy's

Thursday, June 16, 2022 - Jeudi le 16 juin 2022		Room / Salle
08:00 - 13:00	Registration - Inscription	Hall 2000
09:00 - 09:40	Keynote: Environmental impact of insect production for food, feed and beyond - Sergiy Smetana	2000A
09:40 - 10:00	Coffee Break - Pause-café	Hall 2000
10:00 - 10:40	Going global with GRIA – a “Global Roundtable for Insect Agriculture”: representation, collaboration and best practices - Allan, D.J.; Katz, H.; McGill, W.L.; Deguerry, A.; Muraru, C.; Balkwill, M.; Preteseille, N.; Hobbs, A.; Rowland, D.; Galt, J.	2000A
10:40 - 11:00	Academic Society for Insects as food and feed (ASIFF); M.-H. Deschamps, G. Vandenberg, J. Tomberlin and A. van Huis	2000A
11:00 - 11:20	Summary OECD and Health and biosecurity workshop, G. Vandenberg and L. Hénault-Éthier	2000A
11:20 - 11:40	Student awards	2000A
11:40 - 12:00	IFW 2024 and End of Conference	2000A
12:00 - 18:00	Lunch box and transportation for Eating Insects North event (Grand Marché de Québec), public event with local and international exhibitors as well as culinary experiences with insects. Shuttle transport to and from Convention Centre and Le Grand Marché de Québec.	Hall 2000 Grand Marché de Québec
Friday, June 17, 2022 - Vendredi le 17 juin 2022		Room / Salle
09:00 - 18:00	Eating Insect North: public event with local and international exhibitors as well as culinary experiences with insects (no transportation offered on Friday)	Grand Marché de Québec
09:00 - 18:00	Training workshop: getting started in insect rearing on pilot scale	Université Laval
